GUARDSMEN AT LEESBURG.

The District Soldiers Reach the Virginia Camp Safely.

A Pleasant Journey Followed by an

thusiastic reception. Tents are being pitched and the camp is rapidly taking on a martial appearance.

A well-known Kentucky Republican additional this morning that Mr. Yerkes would offer no objection whatever to Collector Sapp's removal In other words, if the commissioner's opinion were asked by Secretary Gage he would not nesitate to say that it would be a good thing to make a change in the office of the collector for the Louisville district because the retention of Mr. Sapp has been the subject of some very sharp criticism from the Civil Service Reform League.

Revenue, are consulted and their wishes respected.

A well-known Kentucky Republican additions on the matter by him with Attorney General Knox.

In connection with this controversy it will be recalled that Governor McSweeney a few days ago made a demand on the internal revenue collector for the district of South Carolina for the return of all the taxes collected by the Government from the dispensary law became effective in 1893. The collector referred to some very sharp criticism from the Civil Service Reform League.

It is said that Mr. Yerkes after frequent consultations on the matter by him with Attorney General Knox.

In connection with this controversy it will be recalled that Governor McSweeney a few days ago made a demand on the internal revenue collector for the district because the retention of Mr. Sapp has been the subject of some very sharp criticism from the Civil State since the dispensary law became effective in 1893. The collector referred to recognize the claim.

It is said that Mr. Yerkes after frequent consultations on the matter by him with Attorney General Knox.

In connection with this controversy it will be recalled that Governor McSweeney a few days ago made a demand on the internal revenue collector for the district because the retention of Mr. Sapp has been the subject of some very sharp criticism from the Civil State since the dispensary law became effective in 1893. The collector referred the question to Mr. Yerkes, the Comm place they had assembled at 6:30 o'clock in accordance with the orders of com-pany commanders, anxious to avoid any possibility of delay in getting aboard

The sombre grey of campaign hat and leggins gave the distinguishing mark of the finest volunteer soldiers in the world. Many of the Guardsmen had remained up all night, but no one appeared sleepy. There was a general feeling of elation that the time for going into camp was

Despite the fact that the hour of deperture was rather early, a large number of friends of the Guardsmen were on hand to bid them farewell. Not the least interested were members of the Guard, who, through the exigencies of their business or for other reasons, were unable to go into camp this year. They bade the boys a hearty good-by and promised to try and visit Camp Ordway at least once

A Man Answering His Description Applies for a Job Here.

police are still making a deter effort to locate the strange man who, it is said, bears such a remarkable likeness to Joseph Wilfred Blondin, the alleged Canadian wife murderer, who called upon Harbormaster Sutton early yesterday morning, as stated in The Times this morning, and applied for a position as stoker on one of the river steamers.

Mr. Sutton, after reading the descrip

Mr. Sutton, after reading the description of Blordin, became so convinced by the resemblance of the man 40 Blondin that his visitor was none other than the Canadian that he went to Headquarters this morning and communicated the details of the affair to Captain Boardman, the chief of the detective force.

The fact that a well-dressed man should apply for such a position, which in this city is usually filled only by negroes, aroused the suspicions of Mr. Sutton.

Despite the fact that Precinct Detective Cornwell, of the Fourth precinct, this morning called upon several of the steamboat managers in search of the stranger, no trace of him could be found. The detectives are continuing the search today.

Courtesies for the Vineta.

At the request of the State Departm the Secretary of the Treasury has directed the collectors of customs at Boston Newport, and Norfolk to extend the cour tesies of their posts to efficers of the German cruiser Vineta, which will visit the United States in August.

THE FIGHT IN KENTUCKY.

Vigerous Efforts to Secure the Re. moval of Collector Sapp.

It was said this morning that the war waged against Collector Sapp, of the Louisville collection district, is waxing Pleasant Journey Followed by an Enthusiastic Reception and a Good Meal—Tents Pitched and the Rou-

tine Programme Entered Upon.

CAMP ORDWAY, LEESBURG, Va.
July 18.—The District National Guard reached here shortly before noon today. No accident marred the journey from the Capital to the camp and before the sunset gun is fired this evening everything will be in shape. Soon after the arrival of the theory mass call was sounded and the officers and men partook of a substantial meal, which had been prepared by a corps of cooks under the direction of Major Neumeyer.

The people gave the Guardsmen an enthusiastic reception. Tents are being pitched and the camp is rapidly taking on a martial appearance.

The intersection of the intersection of the intersection of the construction of the Said to be backing Collector Sapp, has, according to the trucky. Senator Deboe, who is said to be backing Collector Sapp, has, according to the report current today, gone to Canion to see the President in the interest of Mr. Said to the camp and before the sunset the President in the interest of Mr. Said to the camp is fragility to tax South Carolina that the Internal Revenue has no legal right to tax South Carolina's State dispensaries, and that it should reimburse the State of South Carolina that the Carolina's State dispensaries, and that it should reimburse the State of South Carolina's State dispensaries, and that it should reimburse the State of South Carolina that the Internal Revenue has no legal right to tax South Carolina's State dispensaries, and that it should reimburse the State of South Carolina that the Internal Revenue has no legal right to tax South Carolina's State dispensaries, and that it should reimburse the State of South Carolina that the Internal Revenue has no legal right to tax South Carolina's State dispensaries, and that it should reimburse the State of South Carolina that the Internal Revenue has no legal right to tax South Carolina's State dispensaries, and that it when the Administration was severally as the was severally as the was severally as the south Carolina that the Internal Revenue has no legal

Both the contractors and the wiremen charge D. Graham, Secretary of the Electrical Contractors' Association, with provoking the strike by his failure to communicate the final demands of the communicate the communicate the final demands of the communicate the final demands of the communicate the communicate the communicate the communicate t communicate the final demands of the wiremen to the association. It is alleged that the wiremen set the date, July 15, as a time limit, when the proposed contract should be signed by the contractors. This ultimatum, with the contract, was sent to Secretary Graham.

The Wiremen's Union met Tuesday "The old law worked like this," said

This ultimatum, with the contract, was sent to Secretary Graham.

The Wiremen's Union met Tuesday night, July 16, and the contractors. A letter was received from Mr. Graham, stating that he had been out of town and had not been able to call a meeting of the contractors. He assured the wiremen of the desire of the contractors to reach an agreement. This was conceived by the wiremen as only an effort to defer a final settleraent of a matter that had been under discussion for over two years. In view of this the strike was called.

J. B. Brown, Charles B. Kluckhuhn, and F. H. Wheelock & Son have conferred as J. B. Brown, Charles B. Kluckhuhn, and F. H. Wheelock & Son three conferred as individuals with the men in their employ and have agreed to sign the two-year contract. The other firms affected by the strike are National Electric Supply Company, C. Schneider's Sons, John C. Rau, John R. Galloway, Neely Electric Company, J. H. Keuhling, and others. ny, J. H. Keuhling, and others.

It is probable that a conference will be held this afternoon between the men and the contractors, and it is possible that an agreeable adjustment of the difficulty will resolved itself into a fight to get on the board a third man, who would be partial
